

Introduction for Ron Broussard

Our speaker today is Ron Broussard. He will be sharing with us his wonderful and empowering tools on how to stretch yourself and create the relationships you deserve in all aspects of your life. His presentation is going to be a lot of fun!

Ron's impressive achievements include becoming one of the leading authorities on empowerment, leadership, and relationships. The founder of the Imagine! Program, he has impacted the lives of nearly 26,000 people all over the US with his public speaking engagements, business, and personal consultation. An army veteran of eleven years; he has explored more than thirty-five countries throughout the world. He has also contributed numerous articles of empowerment to newspapers, magazines, and websites. He is a featured expert on selfgrowth.com and featured speaker on globalteleclass.com. He is also a contributing writer for African American Performance Magazine.

He is a highly experienced relationship counselor, professional speaker, author, and business consultant, ~ but of all his titles, he feels the most important one is Life Coach.

And today, Ron is our empowerment coach. He is here to provide us with some very simple, but very powerful ways of stretching ourselves to achieve more than we have accomplished while positively impacting the lives of our clients, our staff, the contractors we work with, and the world around us.

We are delighted to have Ron with us. I know he will captivate, motivate, and energize all of us to stretch ourselves to be better than we have ever been.

Enjoy!

Please welcome Ron Broussard!
